PARLIAMEN

Early 1990s HDB blocks may get upgrade

By Rachel Au-Yon

More Projects Coming Online...

Straits Times, 28 January 2014

"The upgrading has cost nearly \$1 billion so far...."The works are extensive..." Mr Khaw said"

Business Times, 17 February 2014

"...we still have more than 6,500 to 8,000 existing building stock that need retrofitting"

Straits Times, 11 March 2014

"This year there will also be another 14 projects under NRP..."

Straits Times, 8 July 2014

"Housing Board precincts built in the early 1990s could be eligible for a major makeover under NRP...Now that we have crossed the three-quarter mark, it is timely to review the original set of selection criteria," said Mr Khaw."

GROWTH OPPORTUNITIES

OPPORTUNITIES IN RELATED OR ANCILLARY BUSINESS

REGULATORY REQUIREMENTS
FOR BUILDING MAINTENANCE

GOVERNMENT INITIATIVES

- External building walls repainted at intervals of not more than 5 years⁽³⁾
- Increasing demand for refurbishment of mature estates
- On-going rejuvenation of new and middle-aged estates
- Governmentdriven measures to promote resource-efficient buildings
- 80% of buildings to be Green Marked by 2030

- URA enhanced its
 Landscaping for Urban Spaces
 and High Rises (LUSH)
 Programme to include more areas⁽¹⁾
- NEA: 10 new hawker centres by 2017⁽²⁾
- · Population increase plans

THE VISION — THE COMPLETE BUILDING & MAINTENANCE TEAM

Leveraging our existing competitive edge in R&R and A&A to eventually become a one-stop services provider....

Landscaping Services

- Target residential and commercial projects in private and public sectors
- Capitalise on Greening trend in Singapore

Specialist Painting Services

- Niche products targeted commercial and industrials sectors
- Eg fire proofing paints

New Build Painting Services

 Aimed at public and commercial new buildings Access Provision Services

 Rental of equipment used in R&R industry eg boom and scissor lifts Handyman Portal Services

- Leverage existing network of clients ie town councils, MCST, industrial/ commercial property managers
- Tap established working relationships with handyman services providers
- Capitalise on increasing trend of people going online to search for services

The
COMPLETE
Building &
Maintenance
Team

 Offering a wholesome suite of services

FUTURE PLANS

Broaden range of eco-conscious solutions and products business; Expand equipment fleet

- Strategic investments/partnerships to develop and commercialise eco-conscious innovations
- R&D with strategic partners to develop and commercialise eco-conscious innovations
- Boost capability for more projects and maximise cost efficiency for customers

Expand via inorganic growth and developing new business

• Launch complementary / ancillary services that are synergistical to existing business

Increase our R&R and A&A services to other untapped sectors

- Other public sectors: Education institutions; army camps projects
- Non-public sectors: MCST, industrial and commercial projects

KEY INVESTMENT MERITS

- 1. Strong track record | Built over 15 years; Recognised for timely delivery, quality, reliability and safety
- 2. Long-standing and established relationships with stakeholders | Exclusive applicator of paint works for SKK and Nippon Paint Singapore
- 3. Early mover in environmentally sustainable solutions | Well-positioned for opportunities arising from eco-conscious projects
- 4. Experienced and professional team | Executive directors collectively have close to 80 years of experience in the building maintenance and estate upgrading industry
- 5. Capability to handle a wide spectrum of projects | Resilient to adverse changing market conditions
- 6. Ability to deliver cost-effective solutions to customers | Leverage in-house equipment and capabilities to undertake more projects and maximise cost efficiencies & outsource jobs when more cost effective
- 7. Strong order book | \$\$73.2 million as at 30 June 2014 to be delivered in the next 2 years; total lowest tenderer position for projects worth \$39.8 million
- 8. Positive prospects in Singapore | General rise in demand for public sector upgrading, retrofitting and maintenance of buildings and facilities
